

Middle School Science Teacher
Beginning August 2024

Hillel Torah North Suburban Day School, located in Skokie, Illinois, is seeking a dedicated science teacher to join our General Studies team for the 2024 - 2025 school year. The middle school science teacher will teach engaging science classes to grades 5-8 in our newly renovated facility, equipped with a fully updated STEAM lab. Responsibilities include classroom instruction, fostering curiosity and exploration, and actively participating in the school's academic and extracurricular initiatives such as a student science fair and family STEAM night.

The ideal candidate has a strong background in science education, is a warm and nurturing educator whose teaching is creative, progressive, student-centered, and academically engaging, and has experience teaching in middle school classrooms.

Preferred Qualifications:

- Bachelor's degree in Education or Science (or higher)
- Experience teaching middle school students
- Experience teaching science

About Hillel Torah: We are a dynamic and innovative Jewish private school preparing the leaders of tomorrow. Our progressive, child-centered approach promotes academic excellence in both general and religious studies. We encourage our students to develop a life-long commitment to learning and to the global community.

Salary commensurate with education and experience.
